Our Katrina experience was:

Well we evacuated on Sunday and didn't make it back home until the 1st. We wasn't sure what we were coming home to and just as we thought we lost everything. We had a lot of sewer water in the house but we have a shell of our house left so we can rebuild.

Write something special that you would like Santa to bring you or your family:

Well I can get all of the babies toys back pretty easy but it's the 14 yr. old boy that's gonna want things that I just can't afford. He would really like a weight bench and set of weights So that's the best thing we could ask for.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
